Address:

810 Clifford St, Athens, Athens

Price:

4000.00 \$

As is, car is currently sitting at paint shop. Shop has had car for over 2 years and has not completed work. Body is good, car needs paint. Have easily put over \$4,000 in rebuilding engine and maintenance to get car running and was sent for paint and body. Have grown tired of watching it sit and body shop hasn't started/completed. Looking to atleast get close to break even. \$4,000 non negotiable. Car can be seen at Donny's Paint and Body. Would prefer they not know I'm selling it but at this point I'm not sure when they plan to complete the work and could care less. Less than 30,000 original miles. Family owned, I am the 3rd owner. ***Text 903-681-3119 if you have any questions.***

If post is up then car is still available, if post is no longer visible then car is sold or paint shop decided to finally get to work on it.
